

Elementary **ART** classes

NEW at The Art Studio!

**{ Summer camp for
5-7 years of age.**

1 Art of the MARINE ENVIRONMENT

August 2 – 6, 2010

In this class students will learn about California Marine Creatures and their habitat. Nature Journaling skills will be introduced.

2 Art of the HUMAN BODY

August 9 – 13, 2010

In this class students will learn the biology of the human body as they create art of the miraculous inside of their bodies as well as portraits.

3 Art of CALIFORNIA HISTORY

August 16 – 20, 2010

In this class the students learn interesting historical events and landmarks of our state and county. They will also learn how to keep an artist journal to record their holiday travels.

Hours | 10:00 am to 12:00 pm

Tuition | \$100.00

10% discount for families of 2 or more enrolled students.

All art materials for drawing, watercolor, pastel, felt markers, are included.

Each student will receive a portfolio to store his or her work and a nature or travel journal.

Our Teacher, Kim Frassetto was born and raised in Southern California. She showed early promise by winning Grand Prize at an Aerospace Art contest when she was 13 years old. She attended California State University at Long Beach, and received her B.A. in Art in 1983. She began to teach shortly thereafter, and has been taking or teaching art lessons for over 30 years. She taught at Biola University STAR program for 10 years and Speech and Language Development Center in Buena Park. She is now a student herself at Laguna College of Art and Design.
