Two Saturdays

February 21 and 28, 2009

11:00 am - 4:00 pm

Cost: Two sessions \$175

This workshop will cover palette knife painting methods that enable each artist to paint more confidently as well as strategically. Students will participate in number of paint handling exercises designed to improve blending, edge handling, controlling color and creating texture. After becoming acquainted with the strategies of palette knife painting the students will apply what they've learned in their own palette knife oil painting.

- Learn to use the palette knife in order to make rich, expressive, and luscious oil paintings
- Learn the fundamental and practical uses of the palette knife as well as the techniques that give your paintings an eye-catching flare!
- Become more confident with your use of paint
- Make complex and sophisticated paintings with a few simple tools
