Welcome to The Art Studio!

You will find excellent instruction with a small teacher to student ratio; providing an attentive learning environment for all levels of experience.

You will be required to complete an intake form prior to your first class. This will provide our facility with emergency contacts.

Your instructor can provide a supplies list. As a convenience, if you don't want to invest in art supplies, we can provide most materials for an add-on fee. Please let your instructor know ahead of time.

Communication with your instructor is important. Feel free to discuss your artistic goals so we may help you reach them.
